# **NATIONAL PLOUGHING CHAMPIONCHIPS 2018 – IRELAND**

---

*What a Ploughing ! Despite  
the storm which shuts us  
down on Thursday, what a  
great show !*

What a Ploughing ! Despite the storm which shuts us down on Thursday, what a great show!  
**With 240 700 visitors** over the three days, we were very busy. A big thank you to our great  
team, Tom, Brendan, Dan, William, Tobias! **So many customers coming to say hello to  
our stand with great feedback and so many enquiring** about Bacteriosol and Bacteriolit,  
after 6 years at the Ploughing, we have to say **it was our best  
show**. Offering natural solutions for farming, to improve margins, quality, health and state of  
the soil, **we have been busy answering farmers looking for sustainable solutions.**  
Thank you very much and see you next year!
